

Creating Questionnaires

- [General information on Questionnaires](#)
- [4 steps to your Questionnaire](#)
- [Questionnaire editor \(from OpenOlat13\)](#)
 - [Rubric](#)
 - [Old Questionnaire Editor QTI 1.2](#)
- [Questionnaires in courses](#)

This chapter explains how OpenOlat authors can create questionnaires, what possibilities the questionnaire editor provides, how questionnaires can be used in courses and what options are available for evaluation and the provision of results.
